

FLEET 15 WELCOMES TWO NEW BOATS, FOUR NEW MEMBERS
By Rich Payne

As had been anticipated all winter, longtime Fishing Bay Yacht Club members Mike Karn and Doug and Lori Moyer have pooled their resources to purchase a J/105. “Inevitable” (Hull Number 307) arrived at Fishing Bay Yacht Club the week before Memorial Day Weekend. The Karn-Moyer team looked fast in a local race, but unfortunately could not get the boat ready in time to make the 40-mile trip down the Bay to Southern Bay Race Week. Look for the boat to be highly competitive by the time Southern Chesapeake Bay Leukemia Cup rolls around in July. Like many of the FBYC members, the individuals comprising “Team Inevitable” live in the greater Richmond, VA, area.

Also joining Fleet 15 is Eddie Hornick, who is a member of Fleet 3 and keeps his boat “Veloce” (Hull Number 23) in Annapolis, MD. Eddie lives in Roanoke, VA, and has previous connections with Fishing Bay Yacht Club. Like the Karn-Moyer syndicate, Eddie plans to have his boat on the line for Leukemia Cup.
